

**COUNTY OF SAN BERNARDINO**

**RESOLUTION NO. 2003-\_\_\_\_**

**A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF  
SAN BERNARDINO SUPPORTING REDESIGNATION OF THE AGUA  
MANSA RECYCLING MARKET DEVELOPMENT ZONE**

**WHEREAS**, the California Public Resources Code Section 42010 provides for the establishment of a Recycling Market Development Zone program throughout the State to supply incentives to stimulate development of secondary materials markets; and,

**WHEREAS**, the Agua Mansa Recycling Market Development Zone (RMDZ) includes designated areas in the cities of Colton, Rialto, Riverside, and San Bernardino, and unincorporated areas of Riverside and San Bernardino Counties; and,

**WHEREAS**, cities and counties must meet 50 percent reductions in landfill waste disposal as mandated in the California Integrated Waste Management Act; and,

**WHEREAS**, the Agua Mansa (RMDZ) is dedicated to the expansion of secondary materials business enterprises, and it is essential for market development and to assist in meeting the landfill reduction goals; and,

**WHEREAS**, the Agua Mansa RMDZ has been administered by Riverside County with the help of the Agua Mansa Industrial Growth Association (AMIGA) since its inception and,

**WHEREAS**, the Agua Mansa RMDZ designation will expire in 2003 unless re-designated by the California Integrated Waste Management Board; and,

**WHEREAS**, the County of San Bernardino still wants recovery-based businesses locating in industrial areas within the RMDZ to be eligible for the technical and financial assistance associated with the RMDZ; and,

**WHEREAS**, the development of local and regional markets for recycled materials would reduce the need to transport them out of the region in the future; and,

**WHEREAS**, the re-designation of the Agua Mansa RMDZ will continue to facilitate the regional planning, coordination, support, and attraction of recovery-based businesses in the region; and,

**NOW, THEREFORE**, the County of San Bernardino resolves as follows:

SECTION 1. Approves the submittal of a Recycling Market Development Zone redesignation application to include the cities of Colton, Rialto, Riverside, and San Bernardino, and unincorporated areas of Riverside and San Bernardino Counties as represented by the AMIGA.

SECTION 2. Supports the Economic Development Agency of Riverside County to coordinate, process, and execute all contracts, agreements, amendments, and ancillary documents within the scope of the proposed zone re-designation application.

SECTION 3. Designates the Economic Development Agency of Riverside County, Planning Division, to serve as lead agency for purposes of satisfying the mandates of the California Environmental Quality Act for the re-designation of the Agua Mansa RMDZ as required by the California Integrated Waste Management Board.

SECTION 4. That the re-designation is necessary to continue to assist in attracting private sector recycling business investments to the area.

SECTION 5. That the current and proposed waste management practices and conditions are favorable to the development of post-consumer waste materials markets.
